Technical Skills

Programming Languages: Python
Web Development: HTML, CSS, JS, JQuery
Operating Systems: Windows

Education

A.S., Computer Science   *Expected Fall 2026*
CUNY New York City College of Technology   *3.204 GPA*
(With intention to pursue Bachelors)

Relevant Coursework:

- **CST 1101 - Problem Solving with Computer Programming**
- **CST 2403 - Introductory C++ Programming Language Part I**
- **MAT 1475 - Calculus I**

Highschool
Thomas A Edison CTE High School   *June 2024*
  ➢ Web and App Development (Two Years)
  ➢ Python (One Year)

Projects/Experience

Personal Website   *Spring 2025*
- Designed using HTML, CSS, and JavaScript to showcase my coding projects and web development skills, featuring a clean, minimalistic design with interactive coding-inspired graphics.

Graphic Arts Competition Finalist   *May 2024*
- Web Development: Used HTML, CSS, and JavaScript to design and code a restaurant website with menu displays and location details in collaboration with a partner.

Infy App Challenge   *2023*

- Gained mentorship from PENCIL and Infy App Organization employees. Utilized Figma, design, and programming skills to develop an app assisting youth with employment and resume support.

Certifications

IT Specialist - HTML and CSS   *May 2024*
  ➢ Issued by Certiport
